

## Town of Charlton Deaths 1847-1849 and 1883-1913

This data previously was published in the Heritage Hunters Newsletter in issues during the years 2013 and 2014. Mrs. Grace Vanderwerker Leddick made the original transcription from records at the Town of Charlton Clerk's Office in the mid-1950s, when she was Saratoga County Historian. That transcription was arranged, checked and indexed by Henry C. Ritchie and typed by Margaret C. Ritchie. Brookside Museum Clerk Sharon Shields transcribed the data into this form from a bound volume of the original typescript at the Brookside Museum in Ballston Spa.

For information about New York State's vital records laws, see our [Vital Records index page](#).
